Debtor)		

OBJECTION TO CONFIRMATION
FILED BY M & T BANK

Comes now M & T BANK, its principals, investors, successors, and/or assigns, if any, (hereinafter "Creditor"), by and through its undersigned counsel of record, Sirote & Permutt, P.C., and hereby objects to the proposed plan filed by the Debtor and seeks an order by this Honorable Court sustaining the Creditor's objection and denying confirmation of the Debtors' proposed plan; and in support thereof, the Creditor avers as follows:

1. This Honorable Court has jurisdiction to hear these matters and enter final orders pursuant to 28 U.S.C § 157 and 1334; and 11 U.S.C. § 1322, 1323, 1324 and 1325. The Objection to Confirmation constitutes a core proceeding and is a contested matter pursuant to Fed. R. Bankr. P. 3015(f) and 9014.
2. The Creditor holds a mortgage lien on the property commonly referred to as 2613 Sheffield Court Montgomery, Alabama 36107, and legally described in the Mortgage and Note.
3. The Debtor's Chapter 13 plan fails to list the pre-petition arrearage owed to the Creditor in the amount of \$712.20 for the October, 2015 payment.

4. The Debtors' proposed plan impermissibly, unilaterally and without the consent of the Creditor, modifies the rights of the Creditor and holder of a secured claim, secured only by a security interest in real property that is the Debtors' principal residence.
5. The Debtors' proposed plan fails to comply with 11 U.S.C. § 1325(a)(1). Due to that failure, the Debtors' proposed plan appears to violate 11 U.S.C. § 1325(a)(3) and (a)(5).
6. The Debtors' actions in proposing a plan in violation of Section 1322(b)(2) and 1325(a)(1) have caused unreasonable delay that is prejudicial to the Creditor. Further, such impermissible provisions of the proposed plan renders the Creditor's rights, interest, and security interests as not being adequately protected.

ATTORNEYS FEES

7. The Creditor has had to incur additional expense in order to protect its rights and interests under its mortgage and mortgage loan, in the form of reasonable attorneys fees and associated costs and requests this Court to award the Creditor reasonable attorneys fees and court costs associated with this matter.

WHEREFORE, ABOVE PREMISES CONSIDERED, the Creditor herein prays that this Honorable Court will sustain the Creditor's Objection to Confirmation; enter an order denying confirmation; grant said Creditor reasonable attorneys fees and costs associated with the filing of this Objection; and make a determination under 11 U.S.C § 1307(c)(5) whether additional time should be afforded the Debtor(s) for the filing of another plan or a modification; additional time should be afforded the Debtor(s) for the filing of another plan or a modification; and if additional time is afforded unto the Debtor

for filing of another plan or a modification, then enter an order awarding unto the
Creditor adequate protection of its rights, interests, and security.

Respectfully submitted,

Janna L Ifshin (IFS-001) 
Attorney for Creditor
